---

# École In Vino Veritas (ÉIVV)

We presently offer three levels of WSET wine studies.  
Level I leads to Level 2 which leads to the Level 3 Wine Certification.

**A First!**

In 2012-2013, our first academic year,  
École In Vino Veritas became the first wine school  
to offer the Advanced Wine & Spirits Level 3 WSET Certification in Québec.

Graphics on page 3, 4 and 5 show how ÉIVV students fare  
at their WSET Level 3 exam since the beginning;  
(numbers used are official data supplied by the WSET).

In the last two years we have evolved a system to help our students ace their theory exams,

<b>Level 3 Award in Wines</b>						
	<i><b>APP Tasting</b></i>	<i><b>Global Tasting</b></i>	<i><b>APP Multiple Choice *</b></i>	<i><b>Global Multiple Choice</b></i>	<i><b>APP Short Answer*</b></i>	<i><b>Global Short Answer</b></i>
<b>2018-2019</b>	100%	87%	100%	89%	100%	57%
<b>2017-2018</b>	83%	88%	100%	87%	83%	56%

especially the part dealing with the short written answers  
which was a problem for us earlier and which is still a problem for WSET Global;  
(57% Global success rate in 2018-19, our school 100% result is under the column APP).

Of note:

It is a total commitment to excellence since the beginning  
that allowed us to improve through the years  
**and claim a 100% Success rate in 2018-19  
in all three parts of the Level 3 Wine exam.**

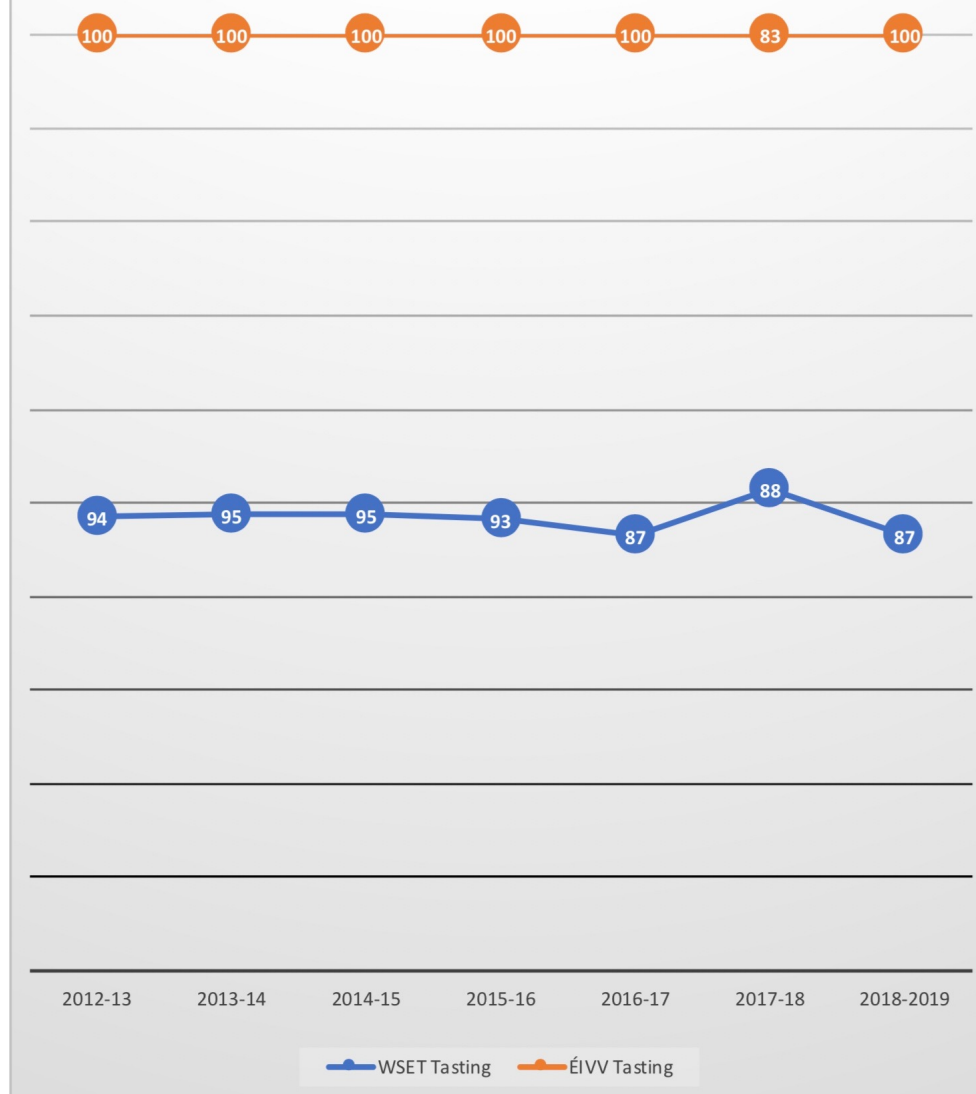

Distinctly, it is the fact that we are committed to everyone  
and work in a personalized way,

**one-on-one,**  
with each of our students.

### **In Conclusion,**

École In Vino Veritas is a unique WSET training center in Canada;  
since our beginning in 2012, and to this day,  
no other institutions offers such personalized attention and results.

We don't advertise, only word of mouth,  
with the addition of the WSET Global official website who points to us.

From the beginning, the owner Richard Sagala model was to create a world class WSET  
training center, the way he would have wanted to find one when he was a student:  
A wine school where individual students success rate came before profits or prestige and...

...on January 15th 2020

Richard Sagala received an email from

Dave Rudman *Executive Director—WSET Americas*

including the following comment:

« ...you have certainly demonstrated an outstanding commitment to quality and results »

In Vino Veritas!

Thank you for your attention, Richard Sagala
